2-Day Wisdom Share Event

June 9 & 10, 2015 - 9:00 to 5:30pm

GET THE MOST OUT OF YOUR EDUCATION
EXPAND YOUR THINKING - EXPAND YOUR WORLD
BE RECOGNIZED AS A LEADER
GET SUPPORT TO GO FURTHER THAN YOU THINK YOU CAN!

Have you ever asked yourself any of these questions?

- If I knew it was impossible to fail, what would I dream to do?
- How can I increase my self-confidence?
- Is there a way to grow my creativity and success in school?
- What am I here for? How can I make a positive impact in my community and the world?
- Is what I have to say important?

For two days you will have the rare opportunity to learn from, and share ideas with Life Coaches, Educators, Business and Wellness Professionals from five countries. You will be given new tools to grow yourself personally and professionally for greater success and fulfillment in school, your chosen profession and your life!

You will gain new insights for leadership, relationships, and well being that will support you in being all you can be.

You will also have fun, discovering solutions to what may be challenging you, and collaborating with an international delegation.
